

# PIONEERING RESEARCH

Oracle Head & Neck Cancer UK is at the forefront of groundbreaking research and community engagement initiatives. Your support can accelerate progress in prevention, early detection, and treatment of head and neck cancers, as well as improve awareness and support for those affected.

## Head and Neck Cancer Medical Research Projects: Winter 2024/2025

### Our Commitment to

**Excellence:** Oracle only funds the most promising research taking place across the UK, rigorously vetted by independent expert committees and reviewed annually to ensure progress and adherence to AMRC standards.

## Research Funding Opportunities

**Large Grants:** 2-3 grants up to £300k each over 3 years

### NIHR Co-funded

**Fellowship:** Focused on social determinants of health and late effects

**Small Grants Program:** £55k total for 2-3 smaller projects

## Community Engagement and Awareness Projects

We're also funding crucial projects focused on awareness and community engagement:

- Thames Valley HPV Vaccine Awareness 'Sign Away Cancer' Wall
- Leicester Participatory Theatre Health Literacy Project
- Leicester Reducing Inequalities in Community Diagnosis
- Tower Hamlets Barriers to Diagnosis in Underserved Communities

# YOUR OPPORTUNITY TO MAKE A DIFFERENCE

## UNIQUE MATCH FUNDING OPPORTUNITY

A UK family foundation will match fund donations up to £150,000 towards new medical research projects.

- For every £1,000+ donated, they will match the amount
- Open until December 20, 2024
- Double your impact on crucial research

## HOW YOU CAN MAKE A DIFFERENCE

- £50,000 could fund a seed grant for a promising new research idea
- £250,000 could support a large-scale initiative over three years
- Smaller donations support our community engagement projects

## THE TIME TO ACT IS NOW

Help us secure the full £150,000 in matched funding and launch new projects that could save lives. Donate £1,000 or more before December 20, 2024, and double your impact in the fight against head and neck cancer.

### How to join our match funding appeal:
